21 March 2018

Dear Parents / Carers

Re: Easter Holidays Year 13 Exam Revision and Coursework Completion

Once your son/daughter returns to school after the Easter holidays on Tuesday 17 April, there will be just **39** school days until the start of the A level exams.

We would be very grateful if you would encourage your son/daughter to organise their revision time carefully over the two week break. They have been given a timetable to help them achieve this, and many subjects have set practise examination style questions so that they are able to meet their target grades in this summer's public examinations. I have attached a copy of the revision timetable which has been running at school and includes any extra sessions scheduled during the Easter holidays.

Please encourage your son/daughter to use the study area, in the sixth form block, for either exam revision or to complete BTEC coursework. The facilities will be open and supervised by myself from 10am-3pm on both Wednesday 4 & Thursday 5 April. There are a number of A level revision and coursework sessions running throughout the two week holiday.

In order to help students prepare for their exams we have run compulsory revision conferences on Tuesday mornings, these were aimed at A level students to support and raise achievement e.g. the Elevate workshop focused on revision techniques.

This can be a very stressful time for the students so as well as a time to revise please encourage your son/daughter to get plenty of sleep and to eat well so they can return refreshed and ready to start this most important stage in their academic career.

Yours sincerely
