7 November 2016

Dear Parents / Carers

The hectic build up to Christmas has begun, adverts have been hitting the hard sell since October and the shops are full of expensive treats. The pressure is on to cook the perfect dinner, to find the perfect present and have a perfect day; making money that's already tight stretch thinner and thinner every day. Carol is sick of it all, the pressure, the stress and the falseness and, by the time Christmas Eve comes around, has had enough. Carol wants to head home, lock the door and pretend it's just a night like any other. How can her faith in humanity be restored by Christmas morning?

Shirley High Theatre Company invites you along to 'Just One Act' on
Wednesday 14, Thursday 15 & Friday 16 December 2016 at 7.00pm.

The company have been working tirelessly to produce an outstanding original production and are eager to share it with you. Tickets cost £5 for adults and £3 for students; however space will be limited so book early to avoid disappointment. Tickets are available from the Performing Arts Office.

Please complete the form below with your ticket request.

We look forward to seeing you at one of the performances.

Yours sincerely

Miss V Kerley
Head of Performing Arts
