Dear Parents / Carers

**Re: Easter Holidays Exam Revision and Coursework Completion**

Once your son/daughter returns to school after the Easter holidays on Wednesday 19th April, there will be just thirteen school days until the start of exams.

We would be very grateful if you would encourage your son/daughter to organise their revision time, they have been given a timetable to help them achieve this, and practise examination style questions so that they are able to achieve their target grades in the forthcoming exams. I have attached a copy of the revision timetable which has been running at school and includes any extra sessions scheduled during the Easter holidays. Please remind your son/daughter that failure to meet their target grades can put their places in Year 13 in jeopardy.

Please encourage your son/daughter to use the study area, in the sixth form block, for either exam revision or to complete BTEC coursework. The facilities will be open and supervised by myself, from 10am-3pm on Monday 3rd, Tuesday 4th and Wednesday 5th April.

In order to help students further we are running a compulsory revision conference on Tuesday morning 28th March, aimed at AS/A level students to support and raise achievement. BTEC students will not need to arrive at school until 9.50am on that day.

This can be a very stressful time for the students so as well as a time to revise please encourage your son/daughter to get plenty of sleep so they can return refreshed and ready to start this most important stage in their academic career.

Yours sincerely
