

SKI AMERICA 2018

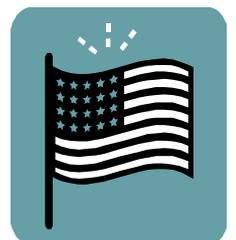

SKI AMERICA 2018 with OVERNIGHT STOP AND DAY TRIP IN NEW YORK

Shirley High School is offering students the opportunity of a lifetime - to ski in America. Successful ski trips at Shirley High School have been run for the last 30 years and they are famous for their fun, adventure and friendships as well as giving the students a learning experience that they can only obtain from being on such a trip.

We had a very successful trip to Loon, New Hampshire, USA in April 2015 where the students enjoyed 4 hours of skiing or snowboarding for five days and then après ski activities such as bowling, swimming, cinema, and use of the hotel's games room. En route to New York for the overnight stopover, we had 3 hours retail therapy at a Danbury Mall shopping outlet and then later that evening, after booking into our hotel, we had dinner at the Hard Rock Café in Times Square. The last day of the trip included a sightseeing tour of New York City, including a visit to Grand Central Station and its famous 'whispering posts'. Eating lunch on the Hudson river at 'Hudson Eats' concluded the day before we finally set off for JFK to fly home. It was a great trip and both the students and staff thoroughly enjoyed the whole experience.

We have managed to negotiate an excellent price for another ski trip to New Hampshire on the East Coast USA, to the resort of Loon. This is an excellent resort providing an excellent experience for all of their visitors. They pride themselves on their award winning ski areas, thanks to top to bottom snow making and fanatical grooming, providing expertly designed and maintained trails for all to enjoy. Even the beginners will be able to ski from top to bottom of the mountains in a matter of days.

For those who would prefer to snowboard, this can be done instead of skiing at no extra cost.

For more information about this resort please do visit their website: <http://www.loonmtn.com>

Our accommodation in the resort will be in the excellent Woodward's Inn and Suites which also has its own swimming pool and games room.

For more information, please visit the hotel's website:

As well as 5 days of skiing or snowboarding, students will have; apres ski evening activities in the resort and an overnight stopover in New York where they will have the opportunity to eat their evening meal in Times Square, shop at Woodbury Common Premium Shopping Outlet or Danbury Mall as well having a sightseeing tour of New York City.

This will take place in the Easter 2018 school holidays - the dates are yet to be confirmed.

Considering the excellent resort of Loon and its skiing / snowboarding opportunities, the high standard of hotel accommodation, brilliant opportunities for après-ski activities and an overnight stay in the city of New York; the trip, at a cost of £1500, represents excellent value for money.

What's included:
