

TO PARENTS / CARERS OF YEAR 11 STUDENTS

Dear Parents / Carers

YEAR 11 GRADE REPORT – AUTUMN TERM 2016

January 2017

Your son/daughter's grade report is now available to view on the Sims Learning Gateway. The colour coded report details the following information:

1. CURRENT PERFORMANCE GRADES

These grades are in line with GCSE grades U (lowest) to A*(highest) or 1 (lowest) to 9 (highest). Please refer to the table overleaf. As the range of attainment within a GCSE grade is quite broad, we have broken down the GCSE grades into three parts e.g. C3, C2 and C1 or 4-, 4 and 4+. This is to give the parent/carer, the school and the student, a better idea of the progress being made. For example in a subject your child may have reached a GCSE grade C3 (a low GCSE grade C) but by the end of year in the Summer Term, your child should have reached a GCSE grade C1 (a high GCSE grade C) as we target students to make a minimum of two sub-grades of progress in an academic year. The 'Current Performance Grades' on the report show the grade at which your child is working, at the present time in each subject and this has been linked to his / her Autumn term target. In the column 'End of Year 11 Target' we have informed you of your child's target to achieve at the end of the year. **If your child:**

- Is **below** any subject Autumn term target in the column headed 'Above/Below Autumn Target' then for each subject it will be '**blue**' with a minus figure shown. The minus figure will inform you of how many sub-grades below the target he / she is currently at.
- Is **on** any subject Autumn term target in the column headed 'Above/Below Autumn Target' then for each subject it will be '**green**' with an 'On Target' statement shown.
- Is **above** any subject Autumn term target in the column headed 'Above/Below Autumn Target' then for each subject it will be '**red**' with a figure shown. The figure will inform you of how many sub-grades above the target he / she is currently at.

The **predicted grade** column indicates the grade your child will reach at the end of this academic year, based on his / her current level of working in each subject.

2. EFFORT / BEHAVIOUR / HOMEWORK GRADES

The Effort Grades indicate how well your child has worked this term. The Homework Grades indicate whether the homeworks set have been carried out satisfactorily or not. The Behaviour Grades relate to behaviour in the classroom.

Please check your personal details (name, address, etc.) and inform the general office of any changes (office@shirley.croydon.sch.uk). Any queries regarding attendance marks, please contact the Attendance Office (attend@shirley.croydon.sch.uk).

3. NEXT STEPS

To ensure that your child makes the minimum rate of progress that we expect of all students it is absolutely essential that he / she:

- Knows his / her current sub-grade per subject
- Knows specifically what he / she has to do to progress to the next sub-grade per subject by asking the subject teachers
- Acts on the advice given to him / her by the subject teachers

If your child is 'below' target (blue) I would encourage you to discuss this with him / her and how he / she intends to get back on target.

The next grade report will be issued at the beginning of the Summer Term to reflect progress made in the Spring Term 2017. To support all parties please note the following key events:

- Your child's next 1:1 meeting with Mr Hurst (Vice Principal) will take place w/c **Monday 16th January**.
- On **Friday 27th January** written reports will be issued and the Year 11 Parents' Evening will take place on **Thursday 2nd February**.

Yours sincerely
