

NMB/SES/Yr12 Progress Reports
January 2017

Dear Parents / Carers

RE: YEAR 12 AUTUMN PROGRESS REPORTS

Your son's / daughter's Autumn Progress Report is now available to view on the Sims Learning Gateway.

You will find on the Report, the following grades for your son / daughter:

1. CURRENT PERFORMANCE GRADE

This is the grade that your son/daughter is currently working at (including coursework / assessments etc).

The grade range for AS/A level subjects is A - E or U for unclassified, however we have reported on indicative grades e.g. B1, B2, B3 where B1 is greater than B3.

The grade range for BTEC subjects is Distinction, Merit or Pass (D, M or P).

2. ATTITUDE TO LEARNING

3. BEHAVIOUR

4. NUMBER OF DEADLINES MISSED

5. ATTENDANCE

I am sure you will discuss these grades with your son / daughter. It is important that students stay focused on their courses this year, they work hard and attend regularly. If they do so, they will put themselves in a strong position to achieve their full potential at the end of Year 12. The data from the Pre-Public Examinations, which take place from **Monday 9th January** until **Wednesday 25th January**, will give us further information from which to assess your son/daughter's progress.

Thank you for your continued support.

Yours sincerely

Ms B Doherty
Vice Principal
(With responsibility for Sixth Form)
