

NMB/SES/Yr12ProgressReports
April 2017

Dear Parents / Carers

RE: YEAR 12 SPRING PROGRESS REPORTS

Your son's / daughter's Spring Progress Report is now available to view on Sims Learning Gateway.

You will find on the Spring Report, the following grades for your son / daughter:

1. CURRENT PERFORMANCE GRADE

This is the grade that your son / daughter is currently working at (including coursework / assessments, etc). The grade range for AS subjects is A - E or U for unclassified, however we have reported on indicative grades e.g. B1, B2, B3 where B1 is greater than B3. The grade range for BTEC subjects is Distinction, greater Merit or Pass (D, M or P).

2. ATTITUDE TO LEARNING

3. BEHAVIOUR

4. NUMBER OF DEADLINES MISSED

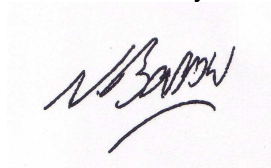

5. NUMBER OF ABSENCES FROM LESSON

If your son / daughter is due to take examinations in May / June 2017, they will have been issued with their exam timetable. The JCQ notices to candidates can be accessed on our website. Please ensure your son / daughter reads through these prior to sitting the examinations to ensure they are fully aware of the strict regulations which have to be adhered to.

I am sure you will discuss these grades with your son / daughter. It is important that students stay focused on their courses this year, work hard and attend regularly. If they do so, they will put themselves in a strong position to achieve their full potential at the end of Year 12.

Thank you for your continued support.

Yours sincerely

N M Barrow
Principal
