

VK/P/LCH/Pro-Excel F1 Dance Performance
7 November 2017

Dear Dancer and Parent / Carer

We have been given a unique and exciting opportunity to be part of the glitz and glamour of one of the greatest sporting events on the planet! The dancers of Shirley High have been asked to perform at the 2018 Rolex Sponsored British Formula 1 Grand Prix, at the iconic Silverstone Race Circuit on **SATURDAY 7 JULY 2018.**

Included in the package:

- A 4 day holiday workshop where our Pro-Excel team come along to your school to teach the students the choreography for the show. Rehearsals will be taking place over 4 consecutive 6 hour days during the May Half-Term term or any Thursday, Friday (after school) followed by Saturday & Sunday during term-time through May and June 2018
- A professional team who will design all choreography and music for the show
- A bespoke T-Shirt designed for the dancers to perform in and then keep as a memento of the occasion
- Every dancer receives a pass to the F1 Grand Prix (worth £80) which enables them to enjoy the racing, entertainment and concert after their performance and again is included in the project cost
- After each rehearsal day a video of our students performance is posted up on our students and teachers Pro-Excel Facebook page. This enables your students to watch themselves back, see what they have learnt and look at what they might need to improve on for the next day
- The final day of rehearsals is a media day opportunity for your school where we will invite all parents, families, friends, staff and local media links to come along and watch a final run of the performance before they go off to Silverstone for the main event day performance

The total cost for the trip is £125, which will include coach transfers and everything listed above, and these payments will be staged over 4 months, starting in November with a deposit of £50, followed by three monthly payments of £25.

This is genuinely a once in a lifetime opportunity that only 20 schools nationwide have been able to take advantage of, the chance to work with a professional choreography team and present work on a global stage is not to be missed! As we get nearer to the event we will be able to release more detailed information about the workshops and our travel plans, however being part of this team will be a very exciting opportunity for the dancers of Shirley High.
