RE: Year 7 Workbook and Revision Guide

Dear Parents / Carers

The Science department will be selling the CGP KS3 Workbook and Revision Guide for the new Ks3 syllabus to all students in Year 7 starting in September 2017. The books have been offered at a very good price from the CGP Publishers for £8.50 (RRP £15) for both books.

We ask for your support in ensuring that your son / daughter purchase the books as we will be setting exam practice tasks and homework from these.

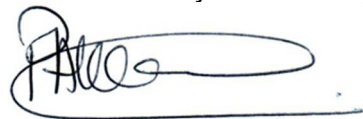

Our experience shows that students who study using additional texts and resources perform well in examinations.

Payment for the Workbook and Revision Guide can be made through ParentPay via the school website following the instructions below:

- **Log into Parentpay.com**
- **Click on "View all items" and select this option**
- **Please note: you cannot use your Paypoint Card for this item**
- **If you have any problems paying online, please contact the school as soon as possible**

Please contact me if you require any further information regarding this
