Shirley High School Sixth Form” Third BEST Nationally!

Having been a stand - alone Sixth Form for only three years, we continue to go from strength to strength, with the Department of Education announcing that Shirley High Sixth Form is the third best out of 4303 sixth form schools and colleges nationally for Vocational courses.

This is supported by our growing success at A level where the A*-C pass rate of 72% compares highly favourably with other local Sixth Forms. In fact, the academic and vocational results for 2014's Year 13 placed us in the top 22% of sixth forms in the country.
