### ALTERNATIVE PROVISION TEACHER MPS/UPS

Shirley High School is seeking to appoint a qualified teacher from Monday 3 September 2018, to work in our newly founded 'School House'.

This is an exciting opportunity for the right teaching professional to teach the core subjects of English, Maths, Science and RS, provide additional learning opportunities to address the academic and personal development of the students and provide pastoral care in our new alternative provision unit. The 'School House' alternative provision unit will support students who are not able to attend mainstream lessons for a variety of reasons and it will be an important part of the outstanding inclusive education provision offered by Shirley High School.

A teaching qualification is essential but applicants must also be enthusiastic and have a genuine interest in supporting students with challenging circumstances. This role is focused on making a difference in the lives of vulnerable learners. It is a challenge, but it is also a fantastic opportunity to help a group of young people achieve their ambitions.

We offer excellent working conditions with key benefits that include:

- A great work / life balance
- Childcare Voucher Scheme, Cycle to Work Scheme
- Staff Mentoring
- Staff car park on site
- A strong focus on the professional development of all staff within our school

Shirley High School is a highly successful, mixed 11-18 secondary school with over 1000 students on roll located on a fabulous 'leafy' site on the outskirts of Croydon with excellent transport links.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. More information can be downloaded from our website [www.shirley.croydon.sch.uk](http://www.shirley.croydon.sch.uk)
